CodeRage

Name

CodeRage

Tagline

"Code Never Lies"

Date

2nd-3rd March, 2020

Team Size

2

Allowed Coding Languages:

C, C++, Python, Java

Venue

CE Lab 5

Description

Round 1:

Teams will be given competitive coding problems which they have to solve in minimum possible time. Top teams will move to the next round.

Round 2:

In this round, teams will be given one or more problem statements. They have to work collaboratively to solve given problems. Top teams will move to the next round.

Round 3:

In this round, the goal of the team is to solve the problem in optimal way. A team with acceptable and optimal solution will win the competition.

Rules & Regulations

1. An online judging system shall be enforced whereever applicable.
2. To avoid subjectivity, judges will utilize rubrics published.

3. About any matter of understanding in problem statement, test-case will be announced and resolved at run-time.
4. Use of internet to find direct solution of the problem is discouraged. Doing so can lead to disqualification.
5. The contest will be overseen by judges whose decision would be final in all matters.

Registration Fees

INR 40 /Team (INR 20/Person)

Types of problems

Round 1	Codechef Kind Competitive Programming Problems
Round 2	Tough and Long Team-work Oriented Problems.
Round 3	Real Engineering Problems.

Rubrics

Round 1	Score, Time of first correct solutions.
Round 2	Score, Time of first correct solutions, Intelligent Distribution and Quick and Easy Integration.
Round 3	Correctness, Acceptability, Time & Space Complexity, Extensibility.
